WAR 3 MORE YEARS, SAYS GOV. BROUGH

Tells Security League That He Gives Views of Official Washington.

WHITMAN SHOWS PRIDE

Details How New York State Is the Union's Leader in Preparedness.

CHICAGO, Feb. 23 .- According to Gov. thatles If. Brough of Arkansas the adgment of official Washington is that there will be three more years of war. Fresh from a visit to the national capint Gov. Brough made this statement ere to-day in a speech at the Congress National Service of the National Seearly League. It was in connection with his declaration that a conservation and educational programme must be donted in order to win the war,

Another Governor-Whitman of New was on to day's programme. He old of the leadership of his State in alliary prepare lness, saying in part: The first and fundamental lesson should be taught in any system thich has for its purpose the preparation is better citizenry is the lesson of good saith and physical well being. Figures ens made public by the draft boards roughout the country show the crying more attention to health educa-where. Physical training is Arrywhere. Physical training is the basis of the New York scheme. portant is this fundamental feature is begun when the child is just until he or she leaves the sec-
